The Cosmic Foreigners story flow

[June 13, 2022]

Chapter 1: Johnny is introduced about what he does in his lifetime as a freelance graffiti artist, goes to the store to only be attacked by the parasitic mind-controlled people, and gets saved by a police officer.

Chapter 2: Both of them gear up for this situation, Johnny finds a switchblade in the room, Gary explains his plan to go to the radio tower with him and gives him a walkie-talkie to let him know that it’s up. Johnny and Stillman find Palma apparently hiding on the rooftop of her bar. Johnny helps her and she decides to tag along with him.

Chapter 3: Johnny explains to Palma that he’s heading over to the radio station to get it running again, both of them get attacked and ambushed along the way. Luckily, both of them made it to the radio station and attempted to get it up and running again and let Officer Stilman know that it’s running now.

Chapter 4: Johnny then calls for help to get them out of this city alive, the rescue support team to tell them their location so they can help them. Gary arrives at the station where J and P are at. Gary congratulates him for this task along the way and having

someone with him. Johnny tells them that the rescue team will meet them on the roof to see them.
